Reference: July Quarterly Report (5/14/98-6/30/98)

Dear Ms. Baker:

Please excuse the delay in responding to your Letter dated 9/29/98.

It appears that we inadvertently reported a "last minute" contribution from Paul Amir on 5/28/98 that was actually received from Herta Amir. We reported the contribution on the July Quarterly report from Herta.

After checking each of the 48 Hour Notices that were filed between 5/15/98-5/30/98 we found that we inadvertently did not list the Assn. of Trial Lawyers of American PAC on 5/27/98 for \$5000.00, American Nurses' Assn. PAC and Laborers Western Political League on 5/30/98 for \$1000.00 each.

We are aware of the importance of filing these notices in a timely manner and will make changes in the current system we are using to identify and report the "last minute" contributions.

If you have any further questions, please feel free to call me at (310) 652-7831.

Sincerely,

Mary Ellen Padilla
Assistant Treasurer
